Sir:

In response to the Office Action mailed February 2, 1998, and supplementary to Applicant's Amendment and Request for Reconsideration dated April 2, 1998, and the Terminal Disclaimer and Supplemental Response and Request for Reconsideration filed July 29, 1998, Applicant submits herewith a corrected Terminal Disclaimer pursuant to 37 C.F.R. 1.321(c) in full and complete satisfaction of the requirements set forth in the third paragraph of the Final Office Action.

The corrected Terminal Disclaimer is submitted herewith in response to a conversation with Examiner Faile who indicated that the previous Terminal Disclaimer filed on July 29, 1998 which was accompanied by the terminal disclaimer fee under 37 C.F.R. § 1.20(d), was insufficient in failing to name the owner of the entire right and interest in the application. A corrected Terminal Disclaimer is submitted herewith for the sole purpose of advancing prosecution and without prejudice, admission or other disclaimer, Applicants specifically reserving the right to maintain that some or all of the claims that ultimately issue are patentably distinct.

Accordingly, with the submission of the accompanying corrected Terminal Disclaimer in addition to the fee paid on July 29, 1998, the instant application now
